SPECIALTY MULCH

The Pace Landscape Supply mulch process starts with the highest quality raw material. you will find our mulch is all clean bark and hardwood. There's no old pallet nails, glue, plywood, yard waste or fillers.

Starting with 100% clean wood provides the finest long lasting mulch that everyone loves. The color enhancement process helps control fading from the sun, its also pet and plant safe and environmentally friendly.

We have several different mulches. They can all be put into three main categories. hardwood, bark, or a mix of both. We use four different screen sizes to grind the material to produce the perfect size.

We can deliver our specialty mulch to you or your are welcome to come pick it up. We also freshly bag our mulch for your convenience.

PACE Landscape Supply LLC

Great customer service, great quality mulch and delivery is quick and efficient. Never buying bagged mulch again!

- Kristen B

Best mulch and customer service around. Our flower beds look great!

- Tina F

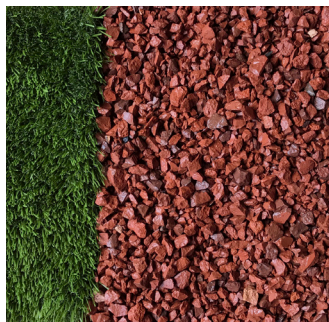

After purchasing our mulch here last year, it was a no brainer to return again this year. Staff is easy to work with and knowledgeable, and it was simple to buy, load up and be on our way. We will be returning customers!
